7th December 2018

Dear Parents/Carers

I am writing to you as I am currently concerned with the lack of homework being done by Year 11 Art students. Every week homework is set and a minimum of 4 hours should be spent completing, refining and annotating work. For students aiming for top grades this should be longer.

Each student should be producing a sketchbook of work around the theme 'Identity'. This can be explored whatever way they wish. Students should have by now completed at least 16 pages in their sketchbook and over the next couple of weeks we will be developing ideas for students to move on to final piece ideas.

Before half term I marked and gave page by page feedback on work that had currently been done and students should have completed this.

As well as Year 11's current project there are still a lot of students who need to complete work from Year 10. It is really important students are finishing off Year 10 work and completing this before they receive their exam paper at the start of January. There is no time during lessons to complete this so, students need to plan when they are going to work on this.

I would also like to remind you that Tuesday after school from 3.10-4.30 there is Art intervention where refreshments will be provided. It is really beneficial for students to be attending this session to make use of equipment, extra teacher support and completing Year 10 coursework. For those students who are very far behind with either Year 10 or 11 work it is imperative they attend this session.

If you have any questions, please don't hesitate to get in touch via email: Harriet.Eldridge@tnha.org.uk

Yours faithfully

Miss Eldridge
Teacher of Art
