5th July 2019

Dear Parent/Carer

BTECH ENTERPRISE VISIT

As you are aware, your child is studying the BTEC Tech Award in Enterprise as one of their option choices and they have just started work on the 'promotion' element of the course. We are basing some of this work around McDonalds and other organisations.

I have arranged a visit to McDonalds on Friday 19th July 2019 during their Enterprise lesson time for students to see promotion being used at this organisation and as an end of term treat for their perseverance with their coursework during this year.

Students will be travelling by TNHA mini-bus and will need to bring appropriate funds to purchase food and drink if they wish. Should any student have any allergies they must not purchase food which would cause a reaction. All food and drink must be consumed at the restaurant and not brought back into school. If your Child does not wish to come on the trip they will placed in another lesson and appropriate work will be provided.

Should you have any concerns or queries please do not hesitate to contact me.

Yours faithfully

Dan Morton-Smith
Head of Business
