3rd June 2019

Dear Parent/Carer

TRIP TO ELVEDEN ESTATE – 21 JUNE 2019

We have an opportunity to take an invited group of Year 8 students from the Food Technology department to visit the Elveden Estate near Thetford on 21st June 2019. Students will take part in group activities based on food preparation and nutrition, touring part of the farm on a trailer ride and meeting local farmers/food producers. They will also have the opportunity to participate in workshops offered by business and food specialists including nutritionists, chefs, food business consultants and staff from the UEA Business School.

As the intention is to view the event from a food and business point of view, this will help students with work they will be completing in the food technology lessons over the coming months. We will leave the academy at 8.30am by mini bus returning at approximately 3.00 pm.

Students will need to come to school in suitable clothing (non-school uniform) bringing any spending money they may wish to bring to buy refreshments. They should also bring a pack lunch - students qualifying for 'free school meals' will have one provided for them.

Please complete the attached permission slip and return to me as soon as possible.

Yours faithfully

Miss H Hoare
Food Technology Teacher
