28th January 2019

Dear Parents/Carers

GCSE Choices Evening
Wednesday 30th January – 5.00 to 7.00pm.

Year 9 students will soon be asked to choose their GCSE options in preparation for their KS4 studies. Although this is a fantastic opportunity for students to take control of their future; we also realise that it can also be quite overwhelming. To help students, and parents, through this process we would like to invite you to the GCSE Choices Evening on Wednesday 30th January from 5.00 to 7.00pm.

During the evening students and parents will be able to speak to staff from the GCSE optional subjects and gain an understanding of the content and skills required in each course. There will also be a short presentation at 5.15pm, repeated again at 6.15pm, in the library for parents about the options process.

Every student will follow a core curriculum of English, Mathematics, Science, PSHE and Physical Education throughout Key Stage 4. Alongside this, students will choose four additional courses from the GCSE Options.

Choices forms will be available on the day for students to collect. We would encourage you to come along on the evening to see what options are available and speak to the subject staff. We look forward to seeing you on the evening, if you have any questions or concerns please contact either Mr Hogarth, or myself.

Yours faithfully

Miss E. Thomason
Vice Principal

Determined to be...
'the best that we can be'
