4th September 2019

Dear Parents/Carers

GEOGRAPHY FIELDTRIP 10th SEPTEMBER 2019

Fieldwork is an essential part of the Geography GCSE course, and students must complete two pieces: one for a physical landscape and one for a human study. We are planning to take the students out for the day to Norwich to study the changes taking place and the effect this has on the surrounding area.

We are going to be out of school on Tuesday 10th September leaving the Academy at 09:00 and returning in time for school transport home. Please ensure that students are prepared for the day whatever the weather conditions may be. They should bring a packed up lunch or alternatively there will be some food outlets if they wish to purchase food in the city centre. A camera will be useful as they will need to be able to use photos and analyse them in their fieldwork. There will be an occasion where your child will be working in smaller groups and will not be with an adult.

Please could complete the attached consent form and return it to me as soon as possible.

Yours faithfully

Mrs Smith
Head of Humanities
