Dear Parent/Carer

GEOGRAPHY REVISION

Following the recent Mock examinations in June, the Humanities team have been analysing the resulting data and have identified some areas for improvement relating to your child’s content knowledge and exam skills in Geography. An area that has been identified as an area in need of improving was knowledge based questions, 4 mark explanation, 3 and 4 mark description of data questions and 8/12 mark evaluate or assess questions. Majority of these from paper 1.

We would like to take this opportunity to point out the benefits of these types of bespoke sessions as there is a proven correlation between quality of revision and higher attainment at GCSE. We hope that you will encourage your child to attend these personalised intervention sessions after school in order to prepare for the next set of Mock exams and their upcoming GCSE Examinations in 2020. If there is any reason why your child is unable to attend please feel free to email one of the Geography team.

Date:	Unit:	Exam skill:
