Dear Parents/Carers

Re: Forthcoming Key Academy Dates

With summer a long distant memory and the weeks rapidly counting down to Christmas I thought it important to write to you and highlight a few key dates between now and the end of this term. One date I need to bring to your attention is that on Friday 30th November the academy will be closed to students. This is because in the original academy calendar published before the summer this highlighted a 'Trust' Training day at the start of November. This was supposed to be an opportunity for all the staff in the academies across ATT to meet and have some joint staff training. Due to many changes in the Trust this was subsequently cancelled and because of its proximity to the October half term, once we had the ability to move this date we did. As a result, the academy will be closed to students on Friday 30th November. Important TNHA dates to make you aware of between now and the end of term are:

Wednesday 21st November:	Post 16 Information Evening
Friday 30th November:	Academy Closed
Thursday 13th December:	TNHA Christmas Show
Tuesday 18th December:	Academy Prize Giving Evening
Thursday 20th December:	Student Christmas Lunch
Friday 21st December:	Last day of term!

Further information will be sent out, if it has not already been, regarding these events in due course. In addition to this there will be a report released to parents before the end of term highlighting your child's progress and attitude to learning this term. We want to trial a new way of communicating reports through our online portal. More details will be with you shortly but in order for this to work effectively we will need an up-to-date email address from parents and carers. I will write to you again shortly outlining some of the developments that have taken place in the academy this term as well as highlighting some of the excellent opportunities and work that our students have been involved with. I also want to signpost some further changes that we need to be make over the next few months to further improve the experience that our students have here at TNHA.

Yours faithfully

Mark Woodhouse
