Dear Parents/Carers

As you may be aware, at The Nicholas Hamond Academy we began offering instrumental lessons towards the end of the last academic year. We are looking to continue providing this opportunity to students and to also extend it where there is demand. We currently have tutors in the area available to teach a range of instruments including guitar (electric, acoustic and bass), keyboard/piano, vocals, percussion, strings, woodwind and brass.

The cost of the lessons will vary depending on how much time you would like your child to have each week with their tutor and whether they would be willing to have their lessons with another student at the same time to share fees. Generally speaking, tutors cost £35 an hour and can divide their time into 15 minute, 20 minute or 30 minute slots. In order for lessons to begin, we would require fees to be paid via your School Money account in advance of each half term. We may be able to help with fees if you are on low income so please enquire about this.

If your child wishes to continue learning an instrument that they already play, or begin something new, and you would like them to take advantage of the opportunity, please fill out the form below and once we have a better idea of the amount of interest and student numbers, we will send you another letter with more information on how to proceed.

Please do not hesitate to contact me using the contact details below should you have any questions.

Yours faithfully
