Dear Parent/Carer

WORKING WITH THE UNIVERSITY OF EAST ANGLIA

Over the academic year we intend to work closely with the UEA to offer unique experiences for our students to help raise aspirations. As the Data Protection Act has changed, UEA have updated their practice to conform to this.

We will be sending data regarding our students to the UEA. Please can I stress this is nothing that is confidential. The accompanying letter states exactly what data they collect, how it is used and why.

Should you have any questions, there is also an e-mail address to contact the UEA on. You have every right to ask the UEA to not store your child's data and the letter also gives information on how to stop this. Please can I ask you to note that the parents/carers for Years 7 to 9 request the data is not used and for Years 10 – 11 it is the student themselves.

Should you not wish the UEA to store your child's data, it will in no way affect the opportunities we will offer to your child.

Kind regards.

Yours faithfully

Mrs K. Warnes
Director of Pastoral Care
