13th March 2019

Dear Parents/Carers

**Re: Year 10 Cambridge Nationals Orienteering Trip
Wednesday 3rd April 2019**

As part of the Cambridge Nationals Sports Studies course, our Year 10 students need to be assessed in a variety of outdoor activities. They are also required to demonstrate an understanding of organising an Outdoor Adventurous Activities trip. To develop their knowledge of this subject and to enhance their learning we would like to take the students to Holt Country Park.

We will travel by coach and students will use their orienteering skills to navigate round a set course within the park boundaries. We will leave the academy during the morning on Wednesday 3rd April and return before the start of lesson 4. Students must arrive in suitable clothing for a morning spent in the forest. So that we can contact students during the trip it would be helpful if they brought their mobile phone with them, however its safe keeping would be their responsibility.

We are subsidising this trip through the departmental budget, however, we do require consent for the students. Please fill in the attached consent form and return to the P.E. department by **25th March**.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully

**Miss L Tilbrook
Teacher of PE.**
