30th January 2019

YEAR 8 GIRLS

Dear Parent/Carer

HPV VACCINATION

As you will be aware, all female students in Year 8 will have the opportunity to be vaccinated against The Human Papilloma Virus (HPV) as protection against the common causes of cervical cancer. The first vaccination will take place on **Tuesday 5th February 2019** at the academy. A second dose in the course will be administered in Year 9 and you will be informed when this is taking place.

There has, we understand, been some difficulties accessing the on-line consent form supplied by Cambridgeshire Community Services NHS Trust. As we appear to have not received a reply from you, please complete and return the attached paper version of the form to us by **Monday 4th February 2019** indicating whether you wish your daughter to receive this vaccination. We also enclose an NHS Information Leaflet on the Vaccine designed for Parents/Carers.

Please note that if we do not hold a signed consent form the immunisation team will not be able to proceed.

Kind regards.

Yours faithfully

Caroline Seaman
Student Welfare Officer

Determined to be...
'the best that we can be'
