## **YEAR 9 GIRLS**

Dear Parent/Carer

### **HPV VACCINATION - SECOND DOSE**

The Immunisation Team, from Cambridgeshire Community Services NHS Trust, will return to the academy on **Tuesday 5<sup>th</sup> February 2019** to administer the second dose of the Human Papilloma Virus (HPV) to female students in Year 9, as protection against the common causes of cervical cancer.

No action is necessary by yourselves as you will have indicated whether or not you wish your daughter to have this course of treatment in Year 8 when the first vaccination was given. Should we require any further information we will contact you by separate letter.

Kind regards.

Yours faithfully

**Caroline Seaman**
